

## PAINT DISCOUNT AVAILABLE

OOI's approved color palette has been updated several times over the years, always with subtle changes to reflect current trends while also maintaining the architectural integrity called for in our CC&Rs. The result is our beautiful neighborhood.

Before painting your home, you need to get formal approval for your color choice from the Architectural Committee. This is very easy to do via our website:

<http://oldorchard1.org>

(Paper form also available on the website or by request to Judd Figatner, VP and Director in charge of architectural changes)

Dunn-Edwards is one of four paint manufacturers on our approved paint color list. Our Architectural Committee has worked with them to provide a new service to you. You can now go to the Dunn-Edwards website, view OOI's approved colors on line, and order free color chips to be sent to your home. Just click on the below link or go to:

<http://dunnedwards.com/PaintingContractors/ExploreColor/ColorTools/ColorArchive.aspx>

Simply enter our ZIP code (91355), select "Old Orchard I" from the list of associations, and you are there!

Further, if you decide to use Dunn-Edwards, you will receive a 25% discount on all paint purchases.

To get a 25% discount on all paint (paint only) from Dunn-Edwards, simply use the below code **when you place your order**:
